Partnering with Peak Health Transformations, LLC and the Kegel Queen to connect women with the Kegel Queen Program

## What's in it for Doctors?

### Save Time and Increase Revenue while Providing Better Patient Care

#### Save Time

- No in-office kegel teaching
- Outsourced kegel instruction includes ongoing patient support
- Your patients' questions answered professionally by our team

#### Increase Revenue

- Administrative processing and handling fee to your office when patients enroll
- Legally compliant

#### Better Patient Care

- Hours of instruction and months of support: far more than what's possible in an office visit
- Comprehensive teaching and followup increase success with kegels
- Women love the convenience with no PT visits
- Patients get relief without surgery

**It's like you're adding a full-time RN kegel specialist to your staff — with no payroll, no hassles, and you get paid to do it!**
